

# Oldencraig Equestrian Centre

Oldencraig Equestrian Centre, the premier competition and training establishment in the South East of England.

Since the Centre was established in 1988, owner Ian Winfield has spent more than £7.5 million on refurbishments with further major expansions planned for 2008.

We offer unrivalled equestrian expertise based on the very best that Europe has to offer!

A Six Star Livery Service offering a caring and professional individualised service with personal attention, ideal for busy horse owners looking for a tailor-made livery service. The Centre offers a full range of benefits for riders of all standards.

Clients are able to choose between full and schooling livery service.

The horses are accommodated in spacious stables in popular American-barn style buildings with easy access to heated tack rooms, washdown areas, horse solarium and all arenas.

We offer an unrivalled service with the use of all facilities, including six arenas for training, on-site training with resident trainers and visiting clinicians & Lessons on advanced schoolmasters

Professional riders to compete your horse on your behalf & grooms are available for assistance at competitions, both at OEC and away

With an On-site tack shop & three Olympic-sized 20mx60m floodlit all-weather surface arenas, Oldencraig really is an equestrian centre that is quite spectacular!

For the fifth year running, Oldencraig Equestrian Center has been voted the 'Best Show Centre' by British Dressage magazine. Oldencraig Equestrian Centre offers all year-round shows for competitors of all standards and in all disciplines, including affiliated and unaffiliated show jumping, dressage and showing, with generous prizes on offer.

Dressage fixtures feature competitions in floodlit arenas on all-weather surfaces with classes up to Grand Prix level. New state of the art Olympic size indoor school with seating for 800 people, sound system, light system, bar, bistro, heated viewing gallery and full length training mirrors.

The 2008 British Dressage Summer Season Regional championships will be held at OEC for the sixth consecutive year. Further information will be published in the British Dressage omnibus.

Visiting competitors park on hard standing surfaces in the Centre's two large floodlit car parks and benefit from working on well-maintained all-weather surfaces.

New for 2008 - Viewing gallery for the warm up arena. The cottage style gallery seats up to 60 people, for the keen spectators who want to remain dry and warm whilst watching the warm up the gallery is heated and has flood lighting. There is also now a designated smoking area.

New! On-site stabling for show competitors.

OEC has just built a new stable block for competitors visiting our shows. The stables feature wall-to-wall rubber matting, automatic water drinkers & feeders and are finished in a stunning oak design. If you're coming to one of our shows and would like to book stabling, please call the show secretary on 01342 833317.
