

**SOUTH-EAST:** Slow training pays off as Exquisite-D gives Vicki Thompson-Winfield two plus-72% medium wins

## SOUTH-EAST Doubly exquisite

VICKI THOMPSON-WINFIELD steered Exquisite-D to 73.79% and 72.16% medium wins at Hickstead, West Sussex (13 June), reports **Celia Cadwallader**.

"This is only Exquisite's second show," said Vicki. "I don't see the point in doing lots of competitions if they're well behaved. He's so loose and offers so much that I don't want him to hurt himself with any over-exuberance.

"I competed him well under his work level to give him a chance to be balanced, focused

and relaxed in the arena."

The 16.1hh Lord Loxley x Montecristo seven-year-old was imported by Oidencraig at three. He is being produced for 14-year-old Vasalisa Vishnyakova to ride.
