

Vicki Thompson-Winfield and Papillon II are big tour reserve champions

Vicki secured the small tour championship on Tammy Woodrow's 10-year-old Diego Niro, whom she had described earlier in the week as like "a tractor without brakes".

"He just gets a bit over-enthusiastic and has so much power coming from the back end. This is his first full show season so I'm pleased with how he took everything on board," she said.

"My music for the freestyle worked at home but he caught me out on one of the full pirouettes, so I ended up having to repeat it just before my final halt. [Judge] David Trott wrote, 'super paces and some clever improvisations.'"
